Though WPF is the College-Age ministry of The State College Presbyterian Church, we welcome anyone of the Penn State community who would like to join our community of faith.

We are a reformed and continually reforming Christian organization; an inclusive body that offers all participants an opportunity to share in the compassion and joy of the Christ's presence.

MID-WEEK ACTIVITIES

FELLOWSHIP & FOOD Tuesday Lunch @ Redifer 12:15—1:30 pm

We eat lunch together, visit and engage in a conversation around a text/book that helps us remember we are children of God as well as students at PSU. Everyone is welcome – and please, come and go as you're able!

Thursday Dinner & Fellowship

Also called "Agapé", this is where hungry students gather for dinner in the Fireside Room @ SCPC at 6:00 p.m. A tasty meal, devotion, fellowship and good conversation make this a meaningful night. A few weeks each semester, we join the Episcopal and Lutheran Ministries on campus for worship and dinner.
